## PREFACE

This directory of *Chiefs of State and Cabinet Members of Foreign Governments* is updated monthly. It is intended to be used primarily as a reference aid and includes as many governments of the world as is considered practicable, some of them not officially recognized by the United States. Regimes with which the United States has no diplomatic exchanges are indicated by the initials "NDE".

Governments are listed in alphabetical order according to the most commonly used version of each country's name. The spelling of the personal names in this directory follows transliteration systems generally agreed upon by Government agencies, except in the cases in which officials have stated a preference for alternate spellings of their names.

NOTE: Although the head of the central bank is listed for each country, in most cases he or she is not a Cabinet member. Ambassadors to the United States and Permanent Representatives to the UN, New York, have also been included.

## REPUBLIKA SRPSKA GOVERNMENT (Serb)

*(The leadership of the Republika Srpska is currently in turmoil as President Plavsic tries to wrest the levers of power from the Serb Democratic Party apparatus in Pale. Both sides claim to be the legitimate authority and have attempted to name loyalists to key positions. In cases where there are competing ministers for the same position, we have listed both and indicated their association—whether pro-Plavsic or pro-Pale—in parentheses.)*
